

OUR MISSION

The mission of the City of Schertz Economic Development Corporation (SEDC) is to grow the Schertz economy through Projects. Specifically, we pursue Projects that focus on the creation/retention of Primary Jobs and Infrastructure Improvements.

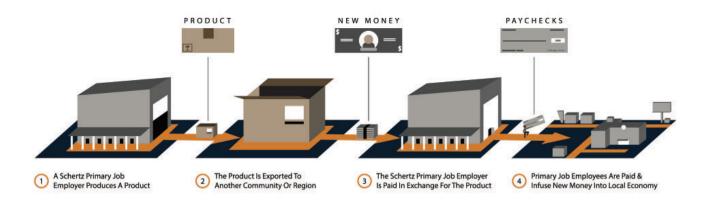

PRIMARY JOBS

One of the key elements of our mission involves **Primary Jobs** - jobs that produce goods/services for customers that are predominantly outside the region and defined by Local Government Code 501.002 (12). Primary Jobs create new money for our community by exporting products. Once an employer is paid for these Primary Job-produced goods/services, the new money is redistributed into the community through wages paid to employees; capital investments; tax payments to the City, local school districts, and counties; and through payments to local suppliers.

Schertz is fortunate to have a variety **Primary Job Employers** - companies that create Primary Jobs. In Schertz, examples of companies that create Primary Jobs are associated with our key industries of manufacturing, warehouse and distribution, and e-commerce because they export goods/services to regional, statewide, national, or international markets.

CalTex Protective Coatings is an example of a Schertz company that creates Primary Jobs. They manufacture sealants and other car-care detailing products. These products are exported to other markets, such as Kansas City, and new money is created in Schertz. This is what creates and maintains the flow of new wealth into our community.

On the other hand, an example of a business sector that does not create Primary Jobs is retail or medical. Purchases made at a local shopping center or payments made when visiting the doctor generally use existing money to pay for those goods or services. These businesses rely on new money that was created through the companies that generate Primary Jobs to fuel our local economy.

Nexus Medical

Nexus, a health care & insurance clinical review company, is working on their interior finishout and exterior landscaping.

Occupying 36,450 sf

Schertz 312 Phase I

Phase I is complete. The developer is currently seeking tenants.

REPORT

DATA DICTIONARY

An explanation of definitions, terms, and sources used throughout this report.

REAL ESTATE

- Schertz Industrial data is internally tracked by SEDC staff and confirmed through brokers every quarter.
- San Antonio Industrial data (current & historical) provided by JLL's San Antonio Industrial Insight Reports and Quarterly Industrial Statistics reports. The SEDC uses a fiscal year quarter whereas JLL uses a calendar year; JLL's quarters have been adjusted to fiscal year.
- Average Asking Price: Amount for which landlords are offering their space per square foot, per year for lease for a listing. The NNN stands for Triple Net rent. In this type of commercial real estate rent, tenants pay the amount listed plus additional costs (usually operating expenses & taxes).
- *Inventory*: Total existing square feet of space, limited to individual buildings 15,000+ sf. Excludes under construction and planned buildings.
- *Vacancy Rate:* The amount of available space divided by total inventory.
- *Net Absorption*: For existing buildings, the measure of total square feet occupied minus the total space vacated over a given time period.
- New Residential Permits issued during the quarter, and historical building permit data, is provided by the City of Schertz Building Inspections Division.

DEVELOPMENT

- *Dirt Work*: Preparing site for intended use (grading, infrastructure installation, poring pads). Residential developments and projects that consist solely of infrastructure installation appear under *Dirt Work* and, when finished, move directly to *Complete*. Commercial developments enter *Dirt Work* status once they have a clearing & grading permit and/or a building permit.
- Under Construction: Activity between site preparation and certificate of occupancy issuance. Includes remodels of existing buildings.
- *Complete*: A City of Schertz Certificate of Occupancy (CO) has been issued for the project. See a building operating in Schertz, but listed as *Under Construction*? CO's are only issued after a project has fulfilled all city requirements; some projects may be operational but lack a final CO.
- Categories:
 - *Retail:* Primary intended use is to promote, distribute, or sell products/services.
 - *Residential:* Primary intended use is housing of city residents (ex: subdivisions).
 - *Office:* Primary intended use is housing employees of companies that produce product/services primarily for support services.
 - *Industrial:* Primarily used for distribution, warehouse, manufacturing, and/or transportation operations.
 - Hotel: Facility offering lodging accommodations & other services (ex: meeting space).
 - Civic: Developments related to the school district, city, county, or utility companies.
- Development data provided by the City of Schertz Planning & Zoning Division and the <u>What's Developing</u> <u>In Schertz</u> online visualizer
